

Easy Steps

to add a delicious twist to any Nutrimeal™ Shake

Piña Colada Sunrise

Try and stop yourself from adding a tiny umbrella to this delicious shake once you taste how close the flavors come to its original counterpart.

296 mL water
3 scoops Vanilla Nutrimeal
1.25 mL coconut extract
133 mL fresh pineapple
118 mL ice

Coconut Breeze

One sip of this tempting shake will make you feel as if you're sun bathing on the sandy beaches of Tahiti.

355 mL water
3 scoops Vanilla Nutrimeal
2.5 mL coconut extract

Grasshopper

Mint and chocolate—two ingredients destined to be together. The flavor combination makes this shake completely refreshing and satisfying.

355 mL water
3 scoops Chocolate Nutrimeal
Mint extract to taste

Razzle Dazzle

One burst of raspberry flavoring mixed into your traditional Chocolate Nutrimeal will add a twist of fruity flawlessness to your day.

355 mL water
3 scoops Chocolate Nutrimeal
2.5 mL raspberry extract

Whack n' Unwrap

If you look forward to breaking into a milk chocolate orange ball every fall, this is the shake for you!

355 mL water
3 scoops Chocolate Nutrimeal
1.25 mL orange extract

Bobbing for Apples

Nothing adds to the refreshingly tart flavor of crisp apple like some sweet and delectable caramel. Bring these wonderful flavors together, blend with ice, and you won't believe your taste buds.

296 mL water
3 scoops Vanilla Nutrimeal
1.25 mL caramel extract
red apple extract to taste
118 mL ice

Razz-A-Cran

Bring a smile to anyone's face with this mouth-watering mix of two fruit flavors, ice, and Vanilla Nutrimeal.

296 mL water
3 scoops Vanilla Nutrimeal
1.25 mL cranberry extract
red apple extract to taste
118 mL

Pumpkin Pie Smoothie

Why wait until the holiday season to enjoy one of fall's most popular pies? Now you can savor the delicious flavors of pumpkin pie anytime—without the guilt.

SERVINGS: 2
296 mL water
3 scoops Vanilla Nutrimeal
10 mL Fibergy® Plus (optional)
118 mL canned or fresh pureed pumpkin (unsweetened)
1.25 mL vanilla extract
2.5 mL pumpkin pie spice
236 mL ice
1 packet stevia (optional)

Cool Banana Chai*

This particular shake is meant for those looking to give their early morning or dragging afternoon the energy boost it needs. It's also packed with the perfect flavor combination of banana and cinnamon.

355 mL water
3 scoops Vanilla Nutrimeal
1 banana
15 mL cinnamon
1 Rev3 Energy® Surge Pack

*Recipe inspired by Associate Paul Rohatensky

The Joy of Almond

After you've chugged this blended shake, you'll be delighted to know you've discovered a healthy, low-glycemic alternative to one of your favorite candy bars.

296 mL water
3 scoops Chocolate Nutrimeal
1.25 mL almond extract
118 mL ice

The Banana Stand

Who would've thought it'd be possible to recreate the flavors of a chocolate banana-split sundae in one of our traditional Nutrimeal shakes? USANA—that's who!

296 mL water
3 scoops Chocolate Nutrimeal
1 banana
118 mL ice

Mounds of Joy

A spin off of the popular "The Joy of Almond" shake, this Nutrimeal combination shares the same flavors with the addition of yummy coconut.

296 mL water
3 scoops Chocolate Nutrimeal
1.25 mL almond extract
2.5 mL coconut extract
118 mL ice

Orange Creamsicle

This shake holds true to the classic summer favorite by tasting just as creamy and delicious as the original.

296 mL water
3 scoops Vanilla Nutrimeal
2.5 mL orange extract
vanilla extract to taste
118 mL ice

Ginger Snap

Take that fattening cookie loaded with sugar and throw it straight in the trashcan! Instead, combine these ingredients to create a healthy and scrumptious alternative.

SERVINGS: 2
236 mL water
3 scoops Vanilla Nutrimeal
15 mL molasses
5 mL ginger powder
236 mL ice

Aloha Pineapple

The addition of crushed ice and yogurt in this shake balances out the acidity and tartness of the juicy pineapple.

296 mL water
3 scoops Vanilla Nutrimeal
118 mL low-sugar plain yogurt
118 mL crushed pineapple
118 mL ice

Root Beer Float

Everyone loves the classic combination of root beer and vanilla ice cream, but who needs the excessive amount of sugar and calories that come with it? This shake is your solution!

296 mL water
3 scoops Vanilla Nutrimeal
7 mL root beer extract
118 mL ice

Morning, Sunshine

Do you turn to a latte or cappuccino for the morning "pick me up" you so desperately need? Avoid the extra sugar and calories by trying this tasty shake instead.

296 mL water
3 scoops Vanilla Nutrimeal
5 mL instant coffee crystals
5 mL sweetened condensed milk
296 mL ice

Fudgy Wudgy Shake

For all the chocolate lovers out there—this should be your first stop when choosing which shake to dive into first.

SERVINGS: 2
236 mL low-fat evaporated milk
3 scoops Chocolate Nutrimeal
30 mL malted milk powder
236 mL ice

Hog the Nog

Eggnog is a favorite holiday treat for many of us, but it's important to remember just how much fat is packed into every glass of it. Avoid holiday weight gain by making this shake your go-to treat for the winter season.

SERVINGS: 2
236 mL low-fat milk or dairy alternative (such as soy or rice milk)
4 scoops Vanilla Nutrimeal
1.25 mL nutmeg
2.5 mL cinnamon extract
2.5 mL Fibergy Plus (optional)
236 mL ice
